

ENERGIBRIDGE

Environmental Policy

Scope:

This Environmental Policy applies to all activities, products, and services provided by EnergiBridge Trading LLC. The company recognizes the importance of environmental responsibility and is committed to minimizing its impact on the environment.

Policy Statement:

EnergiBridge Trading LLC is dedicated to conducting its trading activities in an environmentally responsible manner. We strive to continuously improve our environmental performance, prevent pollution, and comply with all applicable environmental laws and regulations. Our commitment to sustainability is embedded in our business processes, and we aim to raise environmental awareness among our employees, customers, and suppliers.

Key Principles:

1. Legal Compliance:

Comply with all relevant environmental laws, regulations, and other requirements applicable to our trading operations.

2. Environmental Management System (EMS):

Implement and maintain an effective Environmental Management System in accordance with ISO 14001:2015 standards.

3. Pollution Prevention:

- Identify and assess potential environmental impacts associated with our activities, products, and services.

ENERGIBRIDGE

- Implement measures to prevent pollution and minimize our environmental footprint.

4. Resource Efficiency:

Strive for efficient use of resources, including energy, water, and raw materials, to minimize waste and optimize sustainability.

5. Product Stewardship:

Work with suppliers and customers to promote environmentally responsible practices throughout the lifecycle of our products.

6. Continuous Improvement:

Set environmental objectives and targets, regularly monitor performance, and seek continuous improvement in our environmental management practices.

7. Employee Awareness and Engagement:

- Promote environmental awareness and responsibility among employees through training and communication.
- Encourage employee participation in environmental initiatives and improvement programs.

8. Community Engagement:

Engage with the local community and other stakeholders to foster understanding and collaboration on environmental issues.

Implementation:

- **Management Commitment:**

Top management is committed to providing the necessary resources, support, and leadership to implement and maintain this Environmental Policy.

ENERGIBRIDGE

- **Employee Involvement:**

All employees are encouraged to contribute to the success of our environmental management efforts by adhering to environmental policies and participating in improvement initiatives.

- **Communication:**

This Environmental Policy is communicated to all employees, suppliers, customers, and other relevant stakeholders. It is made publicly available and reviewed regularly for ongoing relevance and effectiveness.

- **Review and Update:**

This Environmental Policy is reviewed annually to ensure its continuing suitability, relevance, and effectiveness. Updates are made as necessary to align with changes in our business operations and environmental objectives.
